

# Tomato risotto with olives and basil

Tomato risotto with olives and basil

 Easy  3 Servings  40 min.

Mhhhhh. Risotto. Yes, it needs to be stirred for a long time first, but you'll be rewarded with the best rice has to offer afterwards. Try this risotto made of carnaroli with real buffalo mozzarella according to the traditional Italian recipe.

## Interesting facts about rice

Did you know that Italy has the largest rice growing area in Europe? In the northern Italian provinces of Vercelli and Novara, located in the fertile Po Valley in Piedmont, rice has been cultivated since around the year 1500. For a creamy risotto, where the rice grains also have the desired bite, you should use special rice. The three main risotto rice varieties include Arborio, Carnaroli and Vialone. These varieties have a slightly nutty flavor and can absorb a lot of liquid, so the risotto won't be sticky. For even more interesting facts about this rice classic from Italy, check out our kitchen secret "All about Italian risotto"! Now we're talking about creamy risotto made from Carnaroli rice with real buffalo mozzarella according to an Italian recipe.

## Ingredients

400 g Carnaroli rice  
1 ball mozzarella di bufala  
(buffalo milk mozzarella)  
Parmiggiano reggiano for  
grating over  
1 tbsp. butter  
15-20 black olives  
600 ml vegetable bouillon  
1 can ORO di Parma  
chopped tomatoes (425  
ml)  
1 bottle ORO di Parma  
strained tomatoes (400  
ml)  
1 tbsp. ORO di Parma  
tomato paste, triple  
concentration  
3-4 shallots  
3 garlic cloves  
A few basil leaves  
White wine for quenching  
Olive oil "extra vergine"  
Salt and pepper from the  
mill

## Used products:

## Step 1: The preparation

Ingredients: ORO di Parma strained tomatoes, vegetable stock, oil, shallots, ORO di Parma tomato paste, garlic, rice, white wine, ORO di Parma chunky tomatoes, olives, salt, pepper, basil, butter, mozzarella, parmesan cheese

---

For the risotto, first mix ORO di Parma strained tomatoes with the vegetable stock. Heat the oil in a saucepan and sauté the shallots. Then add ORO di Parma tomato paste, garlic and rice. Now you should stir well and then deglaze with white wine - not only does it sound fantastic as it cooks away in the saucepan, but it provides an appealing acidity to boot. Then add ORO di Parma chunky tomatoes and pour in enough broth to cover the rice. Keep pouring broth and stirring until the rice reaches the desired al dente consistency. Finally add olives and season with salt, pepper and basil. Add some butter, mozzarella and parmesan to the risotto. If necessary, add a little more broth and stir.
